

Capturas de pantalla del pipeline configurado en Jenkins

The screenshot shows the Jenkins configuration interface for a pipeline named 'PipelineDesafioJenkins'. The browser address bar indicates the URL is 'localhost:8081/job/PipelineDesafioJenkins/configure'. The left sidebar contains a 'Configure' section with four tabs: 'General', 'Triggers', 'Pipeline' (which is selected and highlighted), and 'Advanced'. The main content area is titled 'Pipeline' and includes the instruction 'Define your Pipeline using Groovy directly or pull it from source control.' Under the 'Definition' section, a dropdown menu is set to 'Pipeline script from SCM'. Below this, the 'SCM' section is set to 'Git'. The 'Repositories' section contains one repository with the URL 'https://github.com/DamarisRamirez/desafio_jenkins.git' and 'Credentials' set to '- none -'. There are '+ Add' and 'Avanzado' buttons below the repository list. An 'Add Repository' button is also present. The 'Branches to build' section has a 'Branch Specifier (blank for 'any')' field. At the bottom, there are 'Save' and 'Apply' buttons.
